Stock Room Services Manager

Mark Butschek

Stock Room Services Manager

Mark Butschek has been associated with Texas Instruments for 31 years, first as an employee of Texas Instruments from 1972 to 1998 and then as an employee of On-Target Supplies and Logistics since 1998. Mark has a broad background in the supply chain environment from the packing and shipping departments to the transportation, warehousing, and receiving areas. He specializes in the management of the Texas Instruments receiving docks and has superior knowledge of SAP. He has led his team to achieving many goals, including the Supplier Excellence Award, the most prestigious of all.

Mark graduated Summa Cum Laude with a Bachelors degree in Management from LeTourneau University.
